

Bring Your Own Device (BYOD) Criteria Policy

If you wish to supply your own device, you must be able to meet all of the requirements below:

Battery

- A minimum of six hours battery life on a single charge

Data

- The iPad will need to be reset to be joined to Sir Thomas Boughey Academy's iPad Management system (Jamf). This will erase ALL content from the iPad. We cannot responsibility for any loss of data that has not been backed up prior to enrolment.

Enrolment Charge

- There is a one off £25 charge to license Jamf for use on the device

Hardware Requirements

- 9.7" or 10.2" form factor
- Supports the use of Apple Pen technology (iPad 8th Generation or higher)

Insurance Requirements

- Insurance must be obtained at your own discretion if required. Sir Thomas Boughey Academy can accept no responsibility for loss or damage to the iPad whilst on site

iPadOS Requirements

- iPadOS 14 supported
- A minimum of three years of iPadOS updates guaranteed
- No jailbreaking
- Supports enrolment into Jamf and Remote Management

Storage Requirements

- 64GB of storage minimum

User Accounts

- No other user accounts provisioned other than those prescribed by Sir Thomas Boughey Academy

I confirm that the device I will supply in lieu of the iPad Sign Up Scheme meets all of the above requirements, and I am aware I will need to pay a one off Jamf licensing charge of £25
