Re: School Bus Service

Dear Parent,

At present, pupils travelling to and from school on the D&G (94) service through Knutton and Silverdale are experiencing severe over-crowding.

In response to this, school has negotiated an agreement with Paul's coaches (who have taken over from Hollinshead's as the school's supplier of morning and afternoon transport provision) to provide a service for these pupils.

The timetable for the journeys is set out overleaf – you will notice a stop has now been provided in Wolstanton.

Prices are currently set at £1.00 per journey.

As this is a private agreement between the school and Paul's, both parties reserve the right to withdraw the service from any pupil who fails to maintain the high standards of behaviour expected by both parties.

The current 94 service bus route is unaffected and pupils still have the opportunity to use this service if they wish

I would be grateful if you could complete the reply slip below, indicating which bus you expect your child to catch in the afternoon, and return it to me at school as soon as possible.

Should you have any queries, please do not hesitate to contact me.

Yours faithfully,

Mr S Taylor
